1. Sustained by a **covered person**; and
2. Caused by an auto accident, which in no way involves the operation of any automobile by a **non-covered person**.

The owner's or operator's liability for these damages must arise out of the ownership, maintenance, or use of the uninsured motor vehicle.

Any judgement for damages arising out of a suit brought without prior notice to **us**, and without **our** written consent, is not binding on a claim being made by any **covered person**, against **us**. A default judgement rendered against the owner or operator of an uninsured motor vehicle shall not be binding nor determinative of any issue arising in a claim being made by any **covered person**.

No recovery can be made under this Part until the **covered person** has received by way of settlement or judgement, the full limits of coverage under any applicable bodily injury liability policy or bond.

Covered person as used in this Part means:

However, **uninsured motor vehicle** does not include any vehicle or equipment:

LIMIT OF LIABILITY

If coverage under this Part C applies to one of **your covered autos**, **our** maximum limit of liability is the amount shown on the Declarations for coverage under this Part C. However, if coverage under this Part C applies to more than one of **your covered autos**, **our** limit of liability will be the amount shown on the Declarations for coverage under this Part C multiplied by the number of **your covered autos** listed on this policy as covered under Part C, not to exceed three.

1. The amount shown for “each person” is the most **we** will pay for all damages due to a bodily injury to one person; and
2. Subject to the “each person” limit, the amount shown for “each accident” is the most **we** will pay for all damages due to bodily injury sustained by two or more persons in any one accident.

The “each person” limit of liability includes the total of all claims made for bodily injury to or death of a **covered person** and all claims of others derived from such bodily injury, including but not limited to, emotional injury, or mental anguish resulting from the bodily injury of another or from witnessing the bodily injury to another, loss of society, loss of companionship, loss of services, loss of consortium, and wrongful death.

1. workers’ compensation law; or
2. disability benefits law.

However, no one will be entitled to receive duplicate payments for the same elements of loss.

Any payments under this coverage will reduce any amount that person is entitled to recover for the same damages under Part A.

OTHER INSURANCE

If there is other applicable similar insurance, **we** will pay only **our** share of the loss. **Our** share is the proportion that **our** limit of liability bears to the total of all applicable limits. However, any insurance **we** provide with respect to a vehicle **you** do not own shall be excess over any other collectible insurance which is deemed primary.

TRUST AGREEMENT

If **we** pay **you** for a loss under this coverage:

1. **We** are entitled to recover from **you** an amount equal to such payment if there is a legal settlement made on **your** behalf against any person or organization legally responsible for the bodily injury.
2. **You** must hold in trust for **us** all rights to recover money which **you** have against any person or organization legally responsible for the bodily injury.
3. **You** must do everything proper to secure **our** rights and do nothing to prejudice these rights.

CHANGES

This policy contains all of the agreements between **you** and **us**. Its terms may not be changed or waived except by endorsement issued by **us**.

This policy can only be changed by an endorsement **we** issue which is signed by **our** authorized representative.

If a change requires a premium adjustment, **we** will adjust the premium as of the effective date of the change. If **we** do this, **your** policy will only provide coverage for this change when the additional premium is due, if any, is paid. If the additional premium is not paid, this could result in coverage for a reduced number of days in the current and/or subsequent policy period.

CONDITIONS PRECEDENT AND LEGAL ACTION AGAINST US

A person seeking coverage under this policy must comply fully with all the terms of this policy before any obligation for payment arises, and there can be no action taken against **us** without and until compliance with all conditions and terms of this policy by the person(s) seeking coverage hereunder. OUR RIGHT TO RECOVER PAYMENT

- A. If **we** make a payment under this policy and the person to or for whom payments was made has a right to recover damages from another, **we** shall be subrogated to that right. **Our** rights of subrogation shall exist regardless of whether or not the person to or for whom payment was made has been made whole by **our** payment and/or the payments from other person who are liable to the **covered person**. That person to whom or for whom payment was made shall:
1. Do whatever is necessary to enable **us** to exercise **our** rights; and
 2. Do nothing after loss to prejudice **our** rights; and
 3. Cooperate with **us** in the prosecution of any claim or suit to recover payments **we** made.
